

CHAT @ BASSC!

Literacy
December 14th

Come CHAT @ BASSC
Speech-Language
Pathologists!

Come to meet and connect
with area SLPs **during a SLP
Forum!**

Demo materials and
equipment available through
BASSC, review recent
research, and discuss
updates in the field and
case studies!

When?

December 14th 1:30-3:30

Topic?

Literacy

Studies suggest that reading disabilities are language-based disorders. ASHA describes SLPs as highly qualified professionals with advanced knowledge of oral language development as it relates to the relationship to literacy development. Let's chat!

C - Collaboration
H - How-To's
A - Article Reviews
T - Time-to-Network

CPDUs will be provided!

Where?

BASSC Board Room
2411 Pathways Crossing
Belleville, IL 62221

-OR-

Remotely!
