Learn why & how core vocabulary and modeling are important concepts to implement in multiple facets of the classroom. Core vocabulary communication boards and materials to aid in comprehension and communication will be discussed.

Leave with the following materials: a core vocabulary communication board, fringe vocabulary symbols, and a surprise or two!

**Friday,  
September 20th  
8:30 to 3 pm**

*\*Registration opens @ 8\**  
*\*Lunch will be on your own\**

**BASSC  
Board Room  
2411 Pathways Crossing  
Belleville, IL 62221**

Core vocabulary and visual communication supports are best practice for students at risk for developing functional speech. Come for the information, leave with the materials!

**Come MAT at BASSC!**
